

Public Hearing of Masters' and Doctor Theses

On the 10th and 12th February, 2016, public hearing of Masters' theses was held at the Department of Civil Engineering, Graduate School of Engineering as well as at the Environmental Material and Infrastructure Course of the Department of Environmental Engineering and Architecture, Graduate School of Environmental Studies. 16 students in the second year of NUGELP Master Course, who completed writing their theses in English, presented their research achievements and discussed with the examiners. Furthermore, the first two students of the NUGELP Doctor Course had their public hearing on 11th February, 2016.

Many classmates and junior students of NUGELP attended their presentations and learned each other.
